

(e) Persons who are not assisted under the tenant-based program may reside in a group home.

(f) No more than 12 persons may reside in a group home. This limit covers all persons who reside in the unit, including assisted and unassisted residents and any live-in aide.

§ 982.611 Group home: Lease and HAP contract.

For assistance in a group home, there is a separate HAP contract and lease for each assisted person.

§ 982.612 Group home: State approval of group home.

A group home must be licensed, certified, or otherwise approved in writing by the State (e.g., Department of Human Resources, Mental Health, Retardation, or Social Services) as a group home for elderly persons or persons with disabilities.

§ 982.613 Group home: Rent and voucher housing assistance payment.

(a) *Meaning of pro-rata portion.* For a group home, the term “pro-rata portion” means the ratio derived by dividing the number of persons in the assisted household by the total number of residents (assisted and unassisted) residing in the group home. The number of persons in the assisted household equals one assisted person plus any PHA-approved live-in aide.

(b) *Rent to owner: Reasonable rent limit.* (1) The rent to owner for an assisted person may not exceed the pro-rata portion of the reasonable rent for the group home.

(2) The reasonable rent for a group home is determined in accordance with § 982.507. In determining reasonable rent for the group home, the PHA must consider whether sanitary facilities, and facilities for food preparation and service, are common facilities or private facilities.

(c) *Payment standard.* (1) *Family unit size.* (i) Unless there is a live-in aide, the family unit size is zero or one bedroom.

(ii) If there is a live-in aide, the live-in aide must be counted in determining the family unit size.

(2) The payment standard for a person who resides in a group home is the lower of:

(i) The payment standard amount on the PHA payment standard schedule for the family unit size; or (ii) The pro-rata portion of the payment standard amount on the PHA payment standard schedule for the group home size.

(iii) If there is a live-in aide, the live-in aide must be counted in determining the family unit size.

(d) *Utility allowance.* The utility allowance for each assisted person residing in a group home is the pro-rata portion of the utility allowance for the group home unit size.

[63 FR 23865, Apr. 30, 1998, as amended at 64 FR 26651, May 14, 1999]

§ 982.614 Group home: Housing quality standards.

(a) *Compliance with HQS.* The PHA may not give approval to reside in a group home unless the unit, including the portion of the unit available for use by the assisted person under the lease, meets the housing quality standards.

(b) *Applicable HQS standards.* (1) The HQS in § 982.401 apply to assistance in a group home. However, the standards in this section apply in place of § 982.401(b) (sanitary facilities), § 982.401(c) (food preparation and refuse disposal), § 982.401(d) (space and security), § 982.401(g) (structure and materials) and § 982.401(l) (site and neighborhood).

(2) The entire unit must comply with the HQS.

(c) *Additional performance requirements.* The following additional performance requirements apply to a group home:

(1) *Sanitary facilities.* (i) There must be a bathroom in the unit. The unit must contain, and an assisted resident must have ready access to:

(A) A flush toilet that can be used in privacy;

(B) A fixed basin with hot and cold running water; and

(C) A shower or bathtub with hot and cold running water.

(ii) All of these facilities must be in proper operating condition, and must be adequate for personal cleanliness and the disposal of human waste. The facilities must utilize an approvable public or private disposal system.
